Subject: Improving access to and use of Information & Communication Technology (ICT) in CBSE schools

Greetings from CBSE!

CBSE in association with Microsoft Corporation (India) Pvt. Ltd. will conduct Capacity Building Programmes for 1000 teachers, which aims to introduce latest technologies for improving access to and use of Information and Communication Technology (ICT) tools that will help them to integrate technology into teaching, use digital technologies safely, enhance the learning experiences and improve 21st century skills of all students.

ABOUT THE PROGRAMME:

Learners will be provided real project-based learning environment to ensure that learners can gain in-depth practical knowledge and are equipped with the abilities to unlock the maximum potential of the Microsoft Office 365, which is a collection of services that allows the learner to collaborate and share their school and administrative work. It will also include aspects of Artificial Intelligence, gamification through Minecraft, collaborative tools such as Teams, Flipgrid, OneNote.

BENEFITS OF THE PROGRAMME:

- Seamless Coordination with the Cloud-based Tools
- Use Cloud Drive, Digital Story Telling, connect with global educators, planning classroom activities
- Handling diverse learners in the classroom.
- Use digital literacy tools to support students' reading, writing, and fluency development.
- Handling virtual sessions through Teams.
- Create Bots using Microsoft Cognitive Services
- Opportunity to become Microsoft Innovative Educator (MIE) and earn recognition on Microsoft Educator Community through e-badges and certificates on various technologies.

REGISTRATION PROCESS:

Each of the selected school shall nominate 2 teachers for the training program and register them using the link: <http://bit.ly/2Zmt6Bn> or by scanning the QR code →
