No. CBSE/CE/SPS/2019

To

The Principal/Head of
All Schools Affiliated to CBSE

Dear Madam/Sir,

Several initiatives have been taken by the Government of India to promote sports amongst youth. CBSE has also mainstreamed Health and Physical Education at Secondary and Senior Secondary levels by introducing a mandatory period per day for sports, games, etc.

To further promote sports, CBSE took a decision in March 2018 to facilitate such students who are participating in International Sports Events and studying in CBSE affiliated schools in Class X or XII for the purpose of appearing in the Board's examination. This facilitation was extended in 2019 to 14 candidates where Board examinations were coinciding with their participation in any international sports event.

It has now been decided to make this a policy and extend such facilitation hereon to all such students whose CBSE Board exams may clash with their dates in any National/International Sports event including dates of journey for that event that is recognized by Sports Authority of India and the student will be representing India. For such students, their examination will be conducted at a later stage as decided by CBSE.

Standard Operating Procedure (SOPs) for all such students will be as under:-

S.No	Activity	Schedule
1.	Students to give their request to school.	These activities must be completed before 31 st January of the academic year.
2.	School to request Sports Authority of India for their recommendations	
3.	Schools to send their recommendations alongwith recommendation of Sports Authority of India to Regional Office.	
4.	Regional Office to send approval to the schools	Before 5 th February of the academic year.
5.	Conduct of rescheduled examination	Between 1 st April to 15 th April of the examination year for all candidates.

It may also be noted that in no case such candidates will be permitted to appear alongwith the compartment examination as the compartment examination is conducted only for those candidates who got compartment in the main examination.

Schools may please bring this information to the notice of the their students who are actively participating in competitive sports and are likely to participate at an International/National Sports Event so that they can benefit from this initiative of the CBSE.

Candidates who will not follow the above instructions will not be allowed/special examinations will not be conducted.

Yours faithfully,

(Dr. Sanyam Bhardwaj)
