TRANSPORT SAFETY CERTIFICATE

Alphonsa Central School has two buses. Our school buses are new ones. It has all the necessary updated documents with GPS. The maximum speed limit of our bus is 50 KMPH. Total number of children travel in each bus is 32.

Majority of school children travel by private vehicles and auto rickshaws. A few parents come and pick up their children by themselves. Children nearby school either go by bicycle or on foot.

Our school is very close to National Highway NH 17. The roads near our school are tarred ones. We have no difficulty regarding transport facilities.
