**Club activities** like Dance, Karate, Chess, Cricket, Football, Skating, Zumba clubs, are the highlights of the Friday activities held in the school other than the quiz, science, maths, music, home-management clubs conducted by respective teachers. Our school has regularly initiated Nallapadam activities, Environment-eco club activities and community outreach programmes to foster moral values in children.

**Teacher Training** : The teachers at BMM are also constantly learning and upgrading themselves by attending all training programmes stipulated by CBSE board. The teachers attended various webinars on online portal and capacity building sessions to be in the frontline of academic challenges.

**Seminars, awareness class, counselling for parents and students** from cyber cell, etc were occasionally conducted through PTA meetings.

## CONCLUSION

*I take the honour to tell by the grace of God, almost all the forty events that were designed for our Ruby Jubilee last year has come to a fitting conclusion this November. Our parents deserve special thanks for all the cooperation and moral support. Their constructive criticism and valuable feedback have always been helpful in the progress of the school. Our dedicated teachers' round-the-clock laborious efforts were the success behind our students. I thank them for their team work which resulted in the excellent victory of every event that took place in the academic year. We still need to achieve many milestone and sincerely assure you that we will commit ourselves to do our best to honourably serve the institution and every stake holder.*
