- Our students actively engage in a wide range of co-curricular and competitive activities, including Dance, Karate, Chess, Cricket, Yoga, Football, Skating, and Abacus, which form the highlights of the Friday activity sessions. Subject-based clubs such as Quiz, Science, Mathematics, Music, and Home Management, conducted by respective teachers, further nurture their holistic development. The school also promotes Nallapadam initiatives, Environment (Eco) and Vimukthi Club activities, and community outreach programmes, instilling moral values, social responsibility, and environmental awareness in students.

- In addition, our students have excelled in the SOF Olympiads and the India Spelling Bee, achieving commendable results at both school and regional levels. Many have also actively participated in individual and team events at various colleges and schools in and around Kottayam, consistently bringing honor, recognition, and pride to BMM.

- The teachers at BMM are dedicated to continuous professional development and lifelong learning. They consistently enhance their competencies by participating in all training programmes mandated by the CBSE Board. Additionally, they engage in a variety of webinars and capacity-building initiatives through online platforms to remain well-equipped for evolving academic challenges.

- Counselling sessions, value-based education, life skills training, career guidance programmes, awareness programmes, and counselling sessions for parents and students were conducted throughout the year.

- Our school continues to stand for discipline, compassion, character formation, and holistic development.

All these achievements have been possible due to the visionary leadership of the Management and Principal, the dedication of teachers, cooperation of parents, and the hard work of our students. We express our heartfelt gratitude to every stake holder of the school community.
