A Feast of Togetherness!

On 3rd October, our school premises came alive with the warmth and joy of a Community Lunch, bringing students together to celebrate the simple pleasure of sharing a meal. The event provided a wonderful opportunity for children to come together, share their favourite homemade dishes, and enjoy the happiness of eating with their friends.

Students enthusiastically brought an array of homemade delicacies, adding a variety of flavours, colours, and tastes to the lunch table. Each dish carried a touch of home, making the occasion even more special.

The lunch created a cheerful atmosphere filled with laughter, friendly conversations, and memorable moments. It encouraged students to develop a spirit of sharing, caring, and togetherness while appreciating the diverse food traditions of their friends.

The Community Lunch was more than just a shared meal; it was a beautiful reminder that happiness multiplies when shared with others. It strengthened the bonds of friendship and unity, leaving everyone with hearts full of joy and memories to cherish.

SCHOOL EVENTS

GANDHI JAYANTI

Celebrating Cleanliness & Service

The Guardian School commemorated Gandhi Jayanti on October 1, 2026, through activities inspired by Mahatma Gandhi's ideals of cleanliness, service, and social responsibility. Students participated in a beach-cleaning drive, school-cleaning activities, indoor programs, and brainstorming sessions that promoted environmental awareness and teamwork. The celebration encouraged students to embrace cleanliness, serve their community, and become responsible citizens.

Little Steps, Great Values! – Students celebrating Gandhi Jayanti by embracing the ideals of simplicity, peace, and service.

Together for a Cleaner Tomorrow! – Students joined hands at Kappil beach-cleaning drive to promote environmental awareness and community responsibility.

Beyond the Screen! A glimpse into our adolescent awareness and career guidance programmes.

ACHIEVEMENTS

Planting Seeds of Change, Harvesting Recognition!

IMPACT REPORTING

Growing Green, Growing Great 🌱

The Mathrubumi Seeds Club Award Ceremony for the academic year 2025-2026 marked a proud moment of recognition for environmental awareness and sustainable practices. The achievements celebrated the spirit of young environmentalists who are learning to care for nature and protect the planet. Through gardening, planting, and other eco-friendly initiatives, students develop a deeper understanding of biodiversity, conservation, and the importance of a greener future. The recognition serves as an inspiration to continue nurturing environmental responsibility among young learners. At the Guardian English School, we believe that every single plant today holds the promise of a greener tomorrow.

SCHOOL EVENT

A Postcard of Happiness

The Pre-Primary Section celebrated World Postal Day with a series of fun-filled activities that introduced our little learners to the fascinating world of letters, stamps, and postal services. Through engaging, hands-on experiences, the children discovered how letters travel from one place to another and how postal workers help people stay connected.

The activities sparked curiosity, encouraged creativity, and nurtured communication skills while rekindling an appreciation for the timeless charm of letter writing. The celebration transformed an ordinary morning into an exciting learning adventure, helping our young learners understand that even the simplest letter can carry the warmest emotions.

After all, a letter can deliver a lot of love!

Pre- primary students keeping the magic of letters alive.

Unplug to Connect: Navigating Adolescence

The Guardian English School organized an engaging adolescent awareness session, "Unplug to Connect", for students of grade 6, 7, and 8 on 6th October 2026. Led by Dr. Sijo Thomas, the session encouraged students to look beyond their screens and discover the value of genuine human connections.

Through lively activities, role plays, and interactive discussions, students explored the impact of excessive screen time, peer pressure, and social media on their emotional well-being and relationships. They also learned practical ways to manage screen time, handle stress, build self-confidence, and strengthen real-life connections.

The session was an enriching experience, inspiring students to embrace healthy digital habits and maintain a balance between the virtual world and meaningful everyday experiences. The school expresses its sincere gratitude to Dr. Sijo Thomas for making the session both insightful and memorable.

Students engaging in interactive activities by Dr. Sijo Thomas during adolescent awareness session.

Pathway to Possibilities

CAREER GUIDANCE & COUNSELLING PROGRAMME

A memorable group moment from the Career Guidance and Councelling Programme.

Helping students discover their potential and shape their future! Our school organized a two-day career guidance and counseling program for grade 9 and 10 on 5th and 6th October in collaboration with Lovely Professional University(LPU).

Through psychometric assessments and personalized counseling sessions, students and parents gained valuable insights into individual strengths, interests, and diverse career opportunities. The program was an enriching step toward informed academic choices and confident career planning and was warmly appreciated by parents.

A Sprint Towards Success

Our school teams participated in the Kho-Kho competition at St. Mary's English Medium School, Pallikkere. The Under-14 Boys' and Girls' teams reached the semi-finals, showcasing great teamwork and sportsmanship.

A glimps of the food items collected during the Food Drive

Food for the Body, Love for the Soul

CELEBRATING WORLD FOOD DAY THROUGH COMPASSION AND CARE.

Celebrating the spirit of World Food Day, The Guardian English School organised a heartwarming food donation initiative for an old-age home. The initiative was a meaningful expression of love, care, and respect for the elderly, reminding us that sharing food is not merely an act of giving but a gesture of compassion and human connection.

Through this thoughtful initiative, the school aimed to instil in students the values of empathy, gratitude, generosity, and social responsibility. It served as a gentle reminder that food is a precious gift and that even a small act of kindness can bring comfort and happiness to others.

At The Guardian English School, we believe that education goes beyond textbooks—it is about nurturing compassionate hearts and shaping responsible citizens who understand the true joy of giving and sharing.

Empowering Educators , Inspiring Excellence

CBSE Capacity Building Programme - Teachers engaged in a professional learning session.

The Guardian English School hosted a CBSE Capacity Building Programme, reinforcing its commitment to continuous professional development and excellence in education. The programme provided teachers with valuable opportunities to enhance their professional competencies, explore innovative teaching strategies, and strengthen their classroom practices. Through meaningful interactions, collaborative learning, and the exchange of ideas, the session encouraged educators to embrace evolving educational approaches and create more engaging, learner-centred classrooms.

The initiative reflects the school's dedication to nurturing confident, competent, and future-ready educators who inspire young minds and contribute to holistic student development.
