CERTIFICATE

Certified that the school building was inspected by me on 26/05/2022 and found to be fit to conduct classes for the period 2026-2027 for the reasons stated above with following conditions.

1. This certificate is applicable only to safety related to civil construction. Separate certificates for fire safety and safety of electrical installations, electrical lines/conduits shall be obtained from the concerned departments.
2. Maintenance of the school premises should be done periodically. The inspecting officer is not liable for any unfortunate accidents in the school premises due to lack of security or periodic maintenance.
3. This certificate is only for the structural safety of the classrooms mentioned in this certificate. It does not cover safety in laboratories, kitchens, etc.

4. For any new construction in the school compound, it should be intimated and a permit should be obtained from LSGI. Safety measures such as barricades must be ensured.
5. Internal wiring of the school should be verified by a registered /Approved Electrician before conducting classes

Place : KELAKAM
Date : 30/05/2025
