Parent–Teacher Association (PTA) Meetings – Academic Year 2026–27

PTA Meeting – 20 June 2026

The first Parent–Teacher Association (PTA) meeting for the academic year **2026–27** was conducted on **20 June 2026** with the active participation of members of the school management, parents, and teachers. The meeting served as an important platform for strengthening the partnership between the school and parents and for discussing matters related to the academic and overall development of the students.

The meeting included open and constructive discussions on various aspects of school functioning, academic progress, student discipline, attendance, participation in curricular and co-curricular activities, and the overall well-being of students. Parents were encouraged to share their observations, suggestions, and concerns, while teachers provided relevant feedback regarding students' academic performance and participation in school activities. The interaction helped promote better understanding and cooperation among the management, teachers, and parents, with a common focus on providing students with a supportive and enriching learning environment.

PTA Meeting – 25 July 2026

The second PTA meeting was conducted on **25 July 2026**, bringing together representatives of the school management, parents, and teachers. The meeting provided an opportunity to review the progress of the academic year and to maintain effective communication between the school and the parent community.

Various matters concerning **academic performance, attendance, discipline, student welfare, classroom participation, co-curricular activities, and the overall development of students** were discussed. Teachers shared their observations and feedback, while parents actively participated in the discussions and put forward their suggestions and concerns. The meeting encouraged an open exchange of ideas and helped identify areas where continued cooperation between parents and the school could contribute to better student performance and well-being. The discussions reflected the collective commitment of all stakeholders towards maintaining a positive, disciplined, and student-centred educational environment.

PTA Meeting – 12 September 2026

The third PTA meeting for the academic year was held on **12 September 2026** with the participation of school management members, parents, and teachers. The meeting focused on reviewing the ongoing academic and developmental progress of the students and addressing matters that contribute to their overall growth and well-being.

The session provided a meaningful platform for **open discussions, feedback, suggestions, and interaction** among parents, teachers, and the management. Discussions covered areas such as academic performance, regular attendance, discipline, classroom engagement, participation in school programmes, student welfare, and the importance of continued parental support in the learning process. Parents were given an opportunity to communicate their views and seek clarification on matters concerning their children, while teachers shared their observations and recommendations. The meeting concluded with a shared understanding of the importance of continuous communication and collaboration between the school and parents in supporting students and enhancing the quality of their educational experience.
