Nirmal Jyothi Public School's 21st annual daythe **SPECTRA2025** kicks off this evening.The decorations, the euphoria filled in this atmosphere ,the ambience in this evening at Nirmal Jyothi Public School amazes you, echoing our school motto "Bloom and Amaze ". Education is the intellectual, cultural, emotional and social development of a person. Unidirectional development can produce a person who knows number

crunching or other skills but who does not know his society and his neighbour. Nirmal Jyothi Public School uses all of its men and material resources to equip the children with 21st century skills such as communication, collaboration, creativity and critical thinking. Children are like clay, can be moulded in any form or style. It is the responsibility of the school to mould the children to a responsible human being, who thinks about giving back something to the society and to the nation and love his country. The performance of our passed out students in higher studies is the real testimony of our continued endeavour to give the best for our students in terms of skills and values as they are second to none in their academic and extracurricular activities. We are proud of our students, parents and teachers who work hard and lend fullest support to achieve perfection beyond expectations.

Spiritual development activities

To build up the future rooted in spirituality, social commitment, we insist value education and a period is set apart every week for value education. Students attend holy mass on every first Friday.

Teacher empowerment programme

Staying updated is the key to success in any field, especially in the field of education. Our teachers have been continuously updated on the changing scenario in connection with national education policy 2020 and the changing social trends in the society due to the advent of new technologies and due to the onslaught of social media. Teachers are undergoing continuous online and offline training provided by CBSE and also by leading educational technologies, the NEP based content providers of our school.

PTA

An active PTA is one of the pillars of strength of any school. Our PTA is so active that they provide positive contributions throughout the academic year, provides constructive criticism and valuable feedback and constant support for all the activities related to the improvement of the school. Class PTA meetings are held regularly to get parental feedback about students and the teaching learning process. The initiative for Ona Sadya was taken by Mr. Binoy Palackal along with PTA president and some other parents. The school PTA had collected money, cooked food and served the food to the students. Nirmal Jyothi Public School wholeheartedly appreciates them and is really proud of its PTA. We extend our special thanks to PTA president Sri. Samji P George, vice president Smt. Anu Martin, executive members and very active regular PTA members for their valuable support.

Our benefactors

Poovarany cooperative bank is a benefactor of Nirmal Jyothi public school, they have been providing newspapers for every class for the entire year. Nirmal Jyothi public school is very grateful to Poovarany Cooperative bank for this support and hope we could widen the cooperation in future.

Dr. Josely Daniel Kappalumakkal

Dr. Josely Daniel , Medical Officer In-Charge at Family Health Centre, Meenachil has been an invaluable benefactor for our school throughout this academic year. Dr. Josely Daniel's generosity was instrumental in organizing a football tournament, Dr. Shaju Sebastian and Mrs. Saramma Daniel sevens football tournament, first time in the history of Nirmal Jyothi Public school. She completely sponsored the tournament by providing trophies and necessary support. Dr. Josely Daniel has been also involved in providing necessary support during SAFAL exam conducted by CBSE. Under the initiative of Dr. Josely life skill class was arranged for NJPS students by Meenachil Helath Centre.

Master Davis Shaju Kappalumakal

Davis Shaju of class X (2024-2025) batch helped the school to design and compile the pages of last academic year digital school magazine. He has shown exemplary IT skills through this work. He has learned computer skills by himself to a larger extent and it has helped the school to save thousands of rupees as cost of designing the digital magazine. Nirmal Jyothi Public School is proud of Davis Shaju Kappalumakkal.

Conclusion

Before concluding the report, I thank almighty god for showering lot blessing on this institution. May I take this opportunity to express my deepest gratitude to the school management, PTA, teaching and non-teaching staff, students, parents, benefactors and well wishers for the whole hearted support, cooperation and encouragement.

Let me conclude this report by entrusting our school into the hands of God, Mother Mary and St. Martha for to develop it as an efficient and very productive institution to the society and our nation.
