## **VISION**

To envision a learning community that empowers learners to excel academically, creatively, and personally, while fostering curiosity, compassion, and a commitment to making a positive impact.

## **MISSION**

- To work hard and produce the best exam results.
- To encourage students to continuously strive for excellence in every field.
- To value and judiciously use their freedom.
- To be clear and firm on principles and to be courageous.
- To understand and put into practice the ideals of universal brotherhood and international understanding.
- To blossom as agents of needed social change in the country, and finally to help the students to become matured, spiritually oriented men and women of character.
- To be unselfish in the service of their fellowmen.
