Dear Parents,

We are pleased to inform you that the facility for paying school fees is now operational. As in previous years, fees can be paid through the **new version of E-SS Connect** mobile app via **UPI, Debit/Credit cards, or Net Banking**.

The **Mobile App link** and **Activation Key** have been sent via **WhatsApp**. **User ID and Password** for the app have been sent to the registered **Guardian's mobile number via SMS**.

If you face any difficulties in accessing or using the app, please contact the school office for assistance.

N.B: Kindly prefer online transactions to pay fees.

Regards,

Sr. Anita
