ST. JOSEPH PUBLIC SCHOOL

SECOND EDITION – MARCH 2026

CHILDREN'S DAY

A Day Made Just for Us

Little moments, loud laughter, and memories that stayed

Children's Day at our school was filled with joy, excitement, and meaningful moments. Laughter, performances, and togetherness turned the celebration into memories that will be cherished.

Student Voices

Niya Maria Jobin, Class 5

Children's Day at our school was very special and joyful. From the morning itself, the decorations and programmes made us feel excited. I enjoyed the dances, jokes, and fun performances. The celebration gave us happiness and memories that I will always remember.

Hanoon A. N, Class 2 A

Children's Day was a joyful experience for me. Performing on stage made me feel confident and happy. Celebrating with my friends made the day memorable.

Aryan Renju, Class 3 B

This year's Children's Day celebration was memorable for me. Playing the role of Chacha ji made me feel proud and confident. Watching my friends perform made the day even more special.

Fathima T. S, Class 2A

Children's Day was a fun and happy experience. I enjoyed the programmes and games organised for us. Spending the day with my friends made it truly special.

WORDS THAT STAYED WITH US

*Not all lessons
are written on
the board*

Some lessons were not taught from textbooks. They were shared during outdoor assemblies, where teachers addressed students with thoughts meant to guide and inspire. These moments gave us time to pause, listen, and reflect.

Rather than focusing only on academics, the messages shared encouraged us to think about our choices, attitudes, and responsibilities—helping us grow as individuals, not just as students. What made these assemblies special was the effort of our teachers, who shared their experiences and values with sincerity and care.

These teacher-led sessions left a quiet but lasting impact, proving that sometimes a few well-chosen words can shape the way we think long after the assembly ends.

Class 11**

MOVE, GROOVE, AND GLOW!

Our Tuesday and Thursday assemblies come alive as students move, dance, and recharge through energetic aerobic sessions.

One of the most eagerly awaited parts of our outdoor assemblies is the aerobic dance session, where students move together to lively music. The performers on stage fill the atmosphere with energy, instantly lifting the excitement of the entire assembly.

Students from Classes I to V are especially enthusiastic and always look forward to this vibrant activity. Dancing to upbeat music and following synchronized steps makes the experience joyful and engaging for everyone. Beyond the fun, these sessions remind us of the importance of staying active, building confidence, and caring for our well-being.

I am certainly one of those who eagerly waits for the next outdoor assembly, excited to dance and enjoy the wonderful energy it brings. I am grateful to our school for creating such a refreshing and meaningful experience for us all.

A Visit That Touched Our Hearts

Bringing the true spirit of Christmas through love, care, and togetherness.

Visiting Christu Vikas, a home for senior citizens, just before Christmas was truly a heartwarming experience. Spending time with the residents and seeing their warm smiles made the visit deeply meaningful for us.

As part of the celebration, my classmates and I presented an angel dance that brought joy and happiness to them. Our teachers and staff sang melodious Christmas carols, uplifting the spirits of everyone present. A short Christmas message was also shared, reminding us of love, hope, and togetherness. The happiness on the residents' faces spoke more than words.

Cake and small gifts were shared, spreading love and cheer. The visit reminded us of the true spirit of Christmas — sharing kindness, compassion, and joy with others.

Celebrating the Joy of Christmas Together

Sharing smiles, cake, and Christmas cheer

Christmas this year was made even more special as our school hosted a joyful programme for the immigrant families living around our campus. The celebration brought students and guests together to experience the warmth and spirit of the season.

What made the programme especially meaningful was that it was conducted entirely in Hindi, allowing the families present to understand and enjoy every part of the celebration. Through songs and performances, the message of Christmas—love, peace and hope was beautifully conveyed to everyone.

The students presented the programme with great enthusiasm, filling the atmosphere with festive cheer. The smiles and happiness among the families made the celebration even more memorable.

One of the most delightful moments was when everyone gathered to cut the Christmas cake and exchange presents, spreading joy among the children and families present.

The celebration ended on a joyful note, reminding us that the true spirit of Christmas lies in coming together, showing kindness, and making others feel included.

ODYSSEY – A JOURNEY TO REMEMBER

WHERE MOMENTS TURNED INTO MEMORIES

Some days in school become more than just events — they turn into memories that stay with us for a long time. Our Annual Day was one such occasion, filled with excitement, colour, and unforgettable moments.

The school anniversary was a very enjoyable and memorable experience for me. I especially liked performing the Stone Age dance, which helped me learn many new things. I was amazed to know that fire could be made using stones, and it made the performance even more interesting. All my friends performed very well, and the stage decoration was beautiful. The entire programme was well organised and enjoyable. I felt proud to be a student of this school. I would like to thank all the teachers for their effort and for making the day so special”.

**-Evan Sandeep
Class 2A**

Being part of the Annual Day was a wonderful experience for me. I felt excited and happy to participate in the Medieval Age segment which made the programme very interesting.

The practice sessions were enjoyable, and performing on stage with my friends was truly memorable. It helped me gain confidence and enjoy the spirit of teamwork.

Overall, the entire event was filled with joy and learning, making it a very special day for me”.

“My Only Treasure Is Trust in God”

Remembering our foundress, Mother Teresa of St. Rose of Lima, whose life and vision continue to inspire our entire campus.

The 168th birth anniversary of Mother Teresa of St. Rose of Lima, the beloved Foundress of our congregation, was celebrated on January 29, 2026, with devotion and joy on our school campus. The programme began with a prayer song by the choir, creating a serene and reverent atmosphere. The celebration continued with the ceremonial lighting of the lamp by Rev. Sr. Anita, our Principal, along with Ms. Amita, Academic Coordinator and a student representative symbolising the light of wisdom and inspiration our Foundress continues to kindle in our lives.

Students paid tribute through a speech reflecting on her life and vision, while another student shared inspiring quotes that highlighted her faith and spiritual strength.

The programme was further enriched by a graceful dance performance by the students.

During the event, two students who had participated in the Foundress Day competitions at St. Teresa's College, Ernakulam, on January 24, 2026, were felicitated for representing the school.

The gathering concluded with an address by the Principal, who encouraged students to uphold the values our Foundress cherished: faith, perseverance, humility, and trust in God.

The celebration served as a meaningful reminder of her timeless ideals, inspiring students to carry these values forward in their own lives.

INSPIRE

ST. JOSEPH PUBLIC SCHOOL Where It All Comes Together

Three voices from Class XII, sharing the experiences, challenges, and moments that defined their final school years.

A SONG OF FOURTEEN YEARS

My journey began fourteen years ago at St. Joseph's, where the first notes of my school life were played – from a tiny "butterfly" in Thrikkakkara to a senior at Manalimukku. Under the care and guidance of my early teachers, I took my first steps through the cheerful yet uncertain days of LKG. It was when I joined the UKG choir, however, that I truly began to find my voice.

My primary years quietly shaped my resilience. From classroom corrections to moments of firm discipline, I learned patience and perseverance – strengths that later helped me navigate our bittersweet move to Manalimukku.

The "Online Era" brought an unexpected pause to school life, yet returning for Sahodaya competitions rekindled a familiar rhythm. Grade 10 became a year of contrasts – moments of pressure and self-doubt balanced by guidance, encouragement, and friendships that made the journey worthwhile.

My final years gifted me memories I will always cherish – laughter with friends, shared struggles, and teachers whose quiet encouragement reminded me how deeply a school can shape not just a student, but a person.

These fourteen years have been more than a phase of education; they have been the harmony that shaped who I am today – a song whose echoes will stay with me forever.

Class 12**

BETWEEN TWO WORLDS

Being part of an integrated batch reshaped our idea of school life in ways that are difficult to fully express. We were still students, still learning and working hard, yet there was often a quiet sense of missing the simple moments that make school feel complete – the classrooms, the corridors, and the everyday rhythm of school life.

That is what made St. Joseph Public School so special to us.

Though we attended only on Wednesdays and Saturdays for English and Computer Science, those days soon became the most comforting part of our week. The classrooms grew familiar, the corridors slowly filled with our memories, and the hurried mornings and tired smiles turned into moments we came to cherish.

What we received here went far beyond academics. Our teachers guided, corrected, and encouraged us with patience and care, teaching us lessons that extended beyond textbooks – resilience, perseverance, and the strength to keep going even during exhausting times.

Despite our limited hours, the bonds we formed were never limited. In a short time, St. Joseph gave us something truly meaningful – a sense of belonging and a place that felt steady amidst our demanding schedules. For that, we remain deeply grateful.

**- Bhadra Anoop
Class 12**

FROM UNCERTAINTY TO UNDERSTANDING

These two years have been truly meaningful for me. What began on a rocky note, as I balanced coaching and school, gradually turned into an experience I came to appreciate and enjoy.

Along the way, I gained not only academic knowledge but also valuable life lessons. Concepts that once felt difficult slowly unfolded with time and effort, making learning far more engaging. Throughout this journey, the guidance of my teachers, the unwavering support of my family, and my faith in God became the pillars that sustained me. As Christian D. Larson reminds us, "Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle".

Faith, Fun, and Fellowship

Games, guidance, and quiet reflection marked this year's students' retreat.

The Annual Students' Retreat held on February 25, 2026, brought together students for an engaging and meaningful session led by a group of brothers and priests. Through a variety of games and activities, students participated with enthusiasm, creating an atmosphere filled with joy and interaction.

Along with the fun, the brothers shared valuable lessons inspired by the movie Mission Hope, reminding students about the importance of hope, faith, teamwork, and perseverance.

By connecting these messages with the activities, the session became both enjoyable and meaningful.

The retreat also offered moments for spiritual reflection. The priests encouraged students to nurture their faith and make time for prayer in their daily lives. Catholic students were also given the opportunity to receive the Sacrament of Confession.

For many students, especially those who had just completed their exams, the retreat served as a refreshing pause from routine while leaving them with lessons that extended beyond the classroom.

A Man of Quiet Faith and Great Strength *A tribute to the humble guardian and patron of our school*

St. Joseph Day was celebrated with great joy and devotion. As part of the celebration, we observed Josephine Week, which brought us together in a spirit of reflection, learning, and enthusiasm. The week began on a peaceful and spiritual note during the morning assembly, where we learned about the life and virtues of St. Joseph. Listening to his story helped us understand why he is remembered as a model of humility, responsibility, and faith. One of the most memorable parts of the week was seeing our fellow students dressed as St. Joseph. They visited our classrooms and shared short messages with us, reminding us of important values such as humility, dignity of labour, care for family, honesty, and good character. These simple messages encouraged us to reflect on how we can practise these virtues in our daily lives. A special moment of the celebration was the Holy Mass offered in honour of St. Joseph. Praying together made the celebration more meaningful and reminded us of the spiritual values he represents.

During the week, we also took part in various competitions and activities, which made the celebrations lively and meaningful. Through these experiences, we realised that although not much is written about St. Joseph, his life speaks through his actions. He teaches us that greatness can be found in being responsible, hardworking, and faithful in the small duties of everyday life.

As the celebration came to an end, we felt grateful for the lessons we had learned. Josephine Week reminded us that the values of St. Joseph continue to guide us and inspire us to become better individuals.
