Dear Parents,

We are pleased to inform you that the school fee payment facility is now operational. As in previous years, fees can be paid through the **E-SS Connect** mobile application using **UPI, Debit/Credit Cards, or Net Banking.**

The **mobile app link** and **activation key** have been shared through the **WhatsApp groups**. The **User ID and Password** for the mobile application have already been communicated via **SMS to the registered guardian's mobile number.**

If you encounter any difficulty accessing or using the application, please contact the school office for assistance.

We kindly request you to prefer online transactions for fee payments.

With best regards,
