

## FAMILY HEALTH CENTRE EDATHALA

EDATHALA PANCHAYAT, EDATHALA PO, ALUVA.

No: 73/2026/PH

Date : 29/5/26

### SANITARY FITNESS CERTIFICATE

To

St. Joseph Public  
School, Manalimulker.

#### Instructions:-

1. The school premises shall be maintained in a clean and hygienic condition and kept free from stray dogs, cats, cattle, and other animals.
2. Bushes, shrubs, and tall grass around the playground and buildings shall be trimmed regularly.
3. Drinking water sources shall be tested for potability at least once every six months.
4. In the case of well water sources, periodic chlorination shall be carried out as per public health guidelines.
5. Registers for chlorination, water tank cleaning, and water purifier maintenance shall be properly maintained and updated regularly.
6. The kitchen, dining hall, and store room shall be maintained in a clean and sanitary condition at all times.
7. All food handlers shall possess valid Health Cards issued by the competent authority.
8. Scientific management and proper disposal of solid and liquid waste shall be ensured.
9. Garbage, food waste, and debris shall not be allowed to accumulate within the school premises, as they may attract rodents and reptiles.
10. The institution shall strictly follow the "Haritha Protocol." Plastic waste shall be segregated and handed over to the Haritha Karma Sena or other authorized agencies.
11. Adequate numbers of toilets and urinals shall be provided separately for boys, girls, and staff members.
12. Toilet facilities shall be clean, hygienic, well maintained, and provided with an adequate water supply at all times.
13. A properly equipped First Aid Room or designated First Aid area with a fully stocked first aid kit shall be maintained in the institution.
14. Signboards as mandated under the "COTPA Act, 2003" shall be displayed prominently, and activities promoting a Tobacco-Free Educational Institution shall be conducted periodically."

**This is to certify that the sanitary and hygienic conditions of the above institution were inspected on 12/5/26 and found satisfactory as per the prevailing public health standards.**

**Any violation of the above instructions or deficiencies noticed during subsequent inspections may result in the suspension or cancellation of this certificate without prior notice.**
