

ST. LIOBA ACADEMY ...

SUCCESS TRACK- AT A GLANCE

"The whole purpose of education is to turn mirror into windows."

Achieving academic excellence is always at the heart of all endeavours for all our students and educators in our institution.

It's our privilege to showcase before you the enormous achievements that have taken place in our campus, which have wonderfully been accomplished by the cooperation of the management and our students alike.

Let's, take you to the joyride of continuous efforts made by every member of Liobian family for the academic year 2022 to 2023. We Liobians strive to reach excellence through everything and then of events.

THE PURSUIT OF EXCELLENCE

We value collaborative learning positive relationships and building capacity amongst our children to effectively allow them to engage in the world for future.

Concerning about the fact, that our students must rise above through the constructive learning process, the management and the staff of St. Lioba Academy was blessed with many training sessions this year in the field of concerned subjects.

These trainings have indeed marked down all the errors and helped teachers to channelise the student's potential and barge them to face the real life ahead.

Many training programs were organised for the management and teaching faculty such as-

- Experimental learning and integrated
- Art Integrated Education, Approaches in ELT.
- Facilitating young minds. Art Integrated Education.
- Effective models and methods.
- Foundational years program by Sky Books.
- Artificial Intelligence.
- Teachers Holistic Advancement.
- Classroom Management over Archiving strategy.

and many more workshops attended by the management and teaching staff which included informative ideas that can be recruited in the process of our dear students.

KIDS CARNIVAL FIESTA

Programs by our students have always given a mesmerizing feel to the eyes of the beholder.

The credit of the success behind it comes from the students, management, teaching and non-teaching faculty and the parents of a students also contribute equally for the show. May it be singing, dancing, poetry, recitation, monoact, mimicry, etc.

This year for the Cultural fest, the participants were many in number, so the events were equally divided equally into 2 days for LP & UP grades.

Active participation of Pre-kg to KG II for KG FEST was celebrated in the month of November 2022. The innocence and adorable smile is what these kids carry along them.

The long-awaited event was enjoyed by the entire School, where many talented artists, speakers, etc, ruled the heart of everyone on that day.

INFRASTRUCTURAL DEVELOPMENTS

The school was blessed with appreciations from people - known and unknown for its latest beautification.

The school's ground was widely organised with tracks for relays playing football another related events. The most awaiting quote or basketball court was blessed and inaugurated in December 2022 with a Christmas program celebration the school volleyball matches have been a delight to our eyes were not only the students even our management and teaching staff had played matches to encourage our students.

The Children's Park was wonderfully created where kids enjoy endless smiles and happiness among their peers.

The school owns a space for organising its different programs in its multi-activity room.

ST. LIOBA IN ITS PROGRESSION.....

Another milestone was turned down with the teamwork of the management, teaching & non-teaching faculty and our dear students on 31st January 2023. The entire school underwent, an inspection by CBSE panel officers.

We all were positive that day as we believed that only hard work through a bonded team can bring excellent results. The inspection panel was astonished to see the remarkable growth of our school and left with a positive note of appreciation. They also gave the school their recommendation and stated their positive interest for the school to be CBSE affiliated by all means.
